

Department-wise CGPA Report

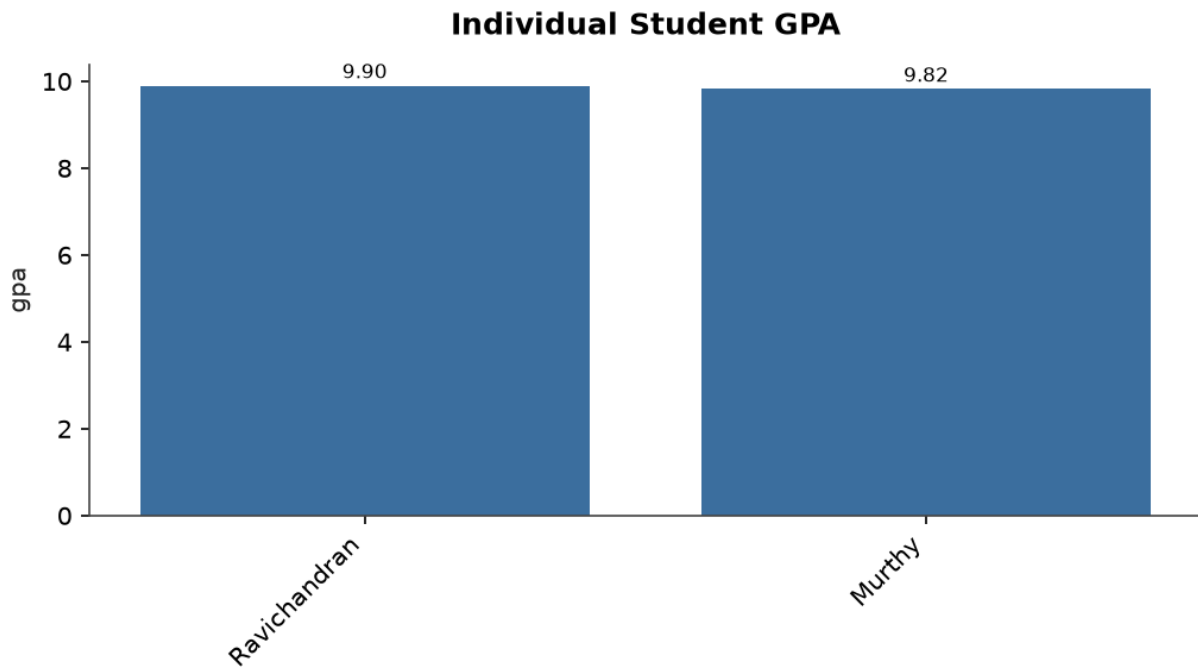

Executive Summary

- This report details the academic performance (CGPA) of 2 students, each from a distinct department.
- Student GPAs range from 9.82 to 9.90, with an average of 9.86 across these two records.
- The students were admitted in academic years 2019 and 2020.
- The highest GPA (9.90) is from a student in Department 3, while the other student (GPA 9.82) is from Department 2.
- Overall, the two students covered exhibit very high academic performance.

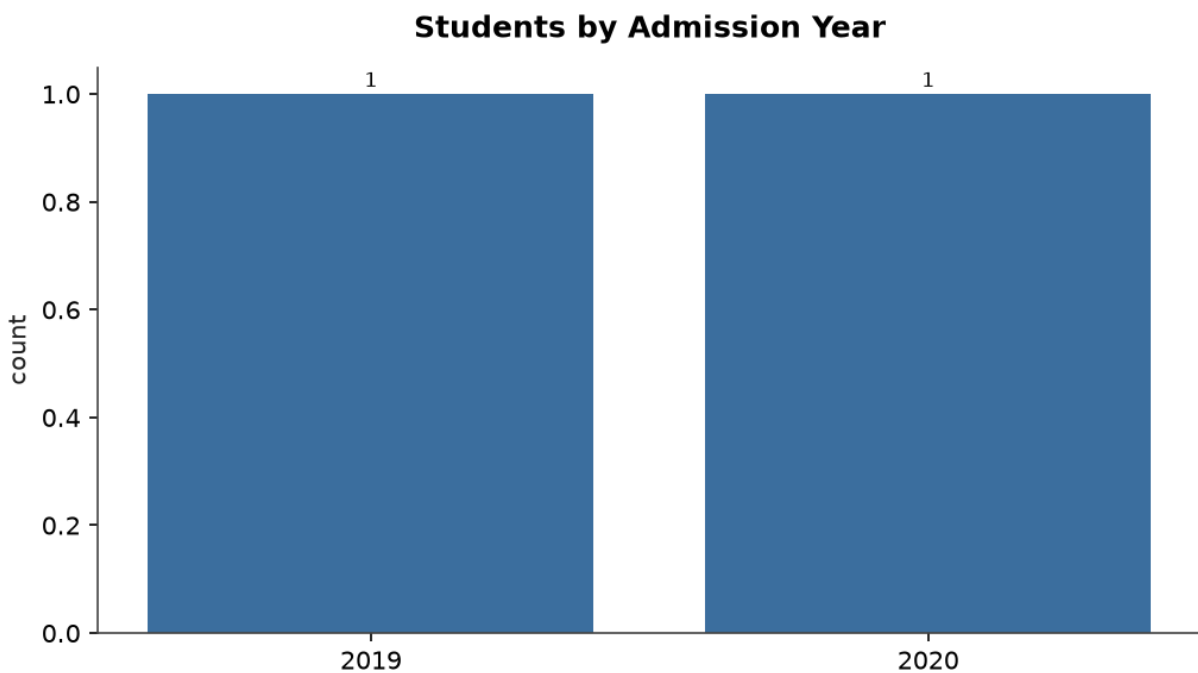

GPA by Department

Individual Student GPA

Students by Admission Year

Key Insights

- Pooja Ravichandran from Department 3 achieved the highest GPA of 9.90, slightly outperforming Arun Murthy.

- The two students represent distinct admission years, 2019 and 2020, indicating consistent high performance over different cohorts.
- Both students maintain exceptionally high GPAs, with a minimal difference of 0.08 between them.

Recommendations

- Recognize both high-achieving students for their excellent academic performance.
- Investigate the factors contributing to high GPAs in these departments and years to identify best practices.
